

Woh Sunhere pal

2025-26

The BGES School (ICSE)

Shri Rajnikant C. Dani, President

It is with deep sense of pride and gratitude that I stand here to bid you farewell as you embark on yet another fascinating journey in your life. We are here to bid you farewell after a challenging yet successful completion of these demanding years. I hope that these years have been productive and now you are better prepared to accept the many challenges that come with life. Your 'never give up attitude' stand enabled you reach this far.

Shri Miraj D. Shah, Sr. Vice President

As you step out into the wider world, I know the future feels daunting. Board exams are looming, and the pressure is on. But look at yourselves, you are stronger, more resilient, and more talented than you know. When you face challenges, remember the strength you showed here. Don't be afraid to make mistakes, to stumble, and to fall, because the greatest rewards come from doing the things that scare you the most. As you move forward, carry the memories, not the fears. Carry the lessons, not the regrets.

Shri Pradip Sheth, Hony. Secretary

Today, we are not saying "Goodbye." This is simply a "See you soon." A goodbye to your school uniform, not to your memories. A goodbye to the campus, but not to the bond we share. Class 10, you are leaving behind a legacy that will inspire us. Go forth and make us proud. Shine bright, chase your dreams, and remember—you will always have a place here. All the very best for your future!

The Bhawanipur Gujarati Education Society School (ICSE)

Affiliated to The Council for the Indian School Certificate Examinations, New Delhi

Shri Brij Bhushan Singh, Principal

"As your Principal, I have one piece of advice: Stay true to yourself. Be kind, remain humble, and always strive to make a positive difference in the lives of others. The world needs compassionate leaders and responsible citizens, that is exactly what you are."Wish you success in all your endeavours.

Mrs. Clara Gomes, Deputy Headmistress

It feels like just yesterday you entered these doors, and today, you stand on the threshold of a new chapter, ready to embrace the world. As I look at your cheerful faces, I am filled with pride and a little sadness, seeing how far you have come. You have survived the toughest ordeals, and I am proud to say your batch has displayed incredible determination and resilience. You are no longer just students; you are young, intelligent, and capable individuals.
