Remembrance...

Woh Sunhere Pal...

“*Sight without vision is worse than blindness. My message to the outgoing students of the ICSE batch is that to be VISIONARIES and always remember the institution that have instilled in you timeless values. Make us proud by becoming the leaders of tomorrow.*”

Sri Mangaldas Sanghavi

“*We are proud to have provided you with all the tangible and intangible tools to empower you to face any kind of future. We will always be one step ahead to give you the state of the art education technologies. My message to you dear students is simple : DARE to DREAM and then act on it.*”

Sri Pradip J. Sheth

“*When notes are played at random, they make discordant noise. Yet when the same notes are played according to order and harmony, they produce beautiful music. Such is the power of discipline. As I wish you all success for the future, I want you to remember that self-discipline in life will bring order, harmony and balance.*”

Sri Dinesh Mehta

“Strength should be distilled through wisdom. The strongest is never strong enough always to be master, unless he transforms strength into right and obedience into duty. Dear students always be Righteous and Dutiful and only then will you be truly successful.”

Brij Bhusan Singh (Headmaster)

“To paraphrase Rudyard Kipling, if you ever meet with Triumph and Disaster, then treat these two imposters just the same. Walk with kings, but never lose the common touch. Dear students as you journey along life’s highway, remember the wisdom of these words. Be a steady rock to thwart all the winds of temptation.”

Ms. Mridula Nagar (Deputy Headmistress)
