

THE BGES SCHOOL (ICSE)
ICSE BATCH 2013

Dear Pupil...

Woh Sunhere Pal

Shri. Champaklal A. Doshi (Chairman) "Never regard study as a duty, but as the enviable opportunity to learn to know the liberating influence of beauty in the realm of the spirit for your own personal joy and to the profit of the community to which your later work belongs." - Einstein. The BGES School endeavours to provide an all round development to all its pupils in an atmosphere which is free from apprehension and based on modern technology. The BGES is like a family where a child is nurtured right from its flowering stage.

Shri. Miraj D. Shah (Vice Chairman) Education is the most powerful weapon which you can use to change the world- Nelson Mandela. We at the BGES School strive to mould the minds of the young learners with the latest technical knowledge. Besides good education, we at the BGESS also offer the young learners different courses in the fields of sports and so on. Teaching should be such that what is offered is perceived as a valuable gift and not as a hard duty. Our best wishes to the ICSE batch of 2013!

Shri. Pradip Sheth (Secretary) A collective effort is made at the BGESS by both the teachers and the management off stage to enable the students to have an all round development both intellectually and psychologically. In this respect the words of Vivekananda come to my mind- "Try not to become a man of success but rather to become a man of value."

Shri. Dinesh Chandra Mehta (Executive Secretary) The highest result of education is tolerance. The BGES School not only imparts learning on modern lines but also helps the students to build a strong character. Our children are taught to inculcate the virtues of life. We endeavour to provide our children the best education and values throughout school life which should help them in the journey of life to be good citizens of the country.

Shri Brij Bhushan Singh (Headmaster) Education is the stepping-stone to success. A child may fumble and fall but we here, at The BGES help a child to get up and start afresh. We enable them to be responsible citizens of tomorrow. The task of the modern educator is not to cut down jungles, but to irrigate deserts. With modern technical methods The BGES School enhances and patronises scientific learning so that the children are ready to face the stiff competition outside.

Ms. Mridula Nagar (Deputy Headmistress) On this event of class X's final year, it gives me immense pleasure and great pride to look back on a great year and see all the incredible things our class X Students have done. I wish them all the Best as they make their transition into the real world. I must take the opportunity to thank my Headmaster, Teachers, Parents, Counsellor and our Management for helping them to develop through meaningful learning activities and support that they rendered to allow the opportunities for our students to develop into the young and confident adults.

ICSE 2012 - 2013

Recess which was our favorite time period in school always seemed to be for a very short duration. The guy/girl with the tastiest food would be the most pampered one, but only till his/her Tiffin was not completely finished... The days when Superman, Batman, Spiderman and all such characters were our heroes and role-models...

When a single P.T. period in the week's Timetable, was awaited more eagerly than the monsoons! School was more than what met the eye...!

akash12357@yahoo.com

Akash Kumar Singh

I have been studying in this school since class 5. I enjoyed my time in this school. All the teachers of the school are very nice and friendly, and helped us a lot. Along with studies, there were many co-curricular activities which we took part in. The school also helped us in building the base of our future.

andkot@hotmail.co.uk

Anand Kothari

The B.G.E.S. provides a lot of opportunity to its students by organising many co-curricular activities. I enjoyed every day of school life.

I joined the school in class IV and it has been a pleasant journey since the last 7 years. One of the best schools in the city, the BGES School has helped me to grow from a child to a teenager. What it has given can't be expressed in words. Thank You Sir, Ma'am and all the other Faculty members for making it a memorable part of my life. I owe a lot to you all.
