Shri Miraj D. Shah (Sr. Vice President) (The Bhawanipur Gujarati Education Society)

Life is filled with unexpected adventures. As you continue to move on in life and face new events, adventures and challenges, we all wish you the best of luck.

THE BGES SCHOOL (ICSE)

MESSAGES FROM THE SCHOOL MANAGEMENT

Shri Dinesh Chandra Mehta (Trustee) (The Bhawanipur Gujarati Education Society)

We wish you good luck as you move on to new and different situations in life. Though these situations may be intimidating at first, we are confident that you have the skills to solve any problem to any extent.

Shri Rashmikant Sheth (Trustee) (The Bhawanipur Gujarati Education Society)

Best wishes to you as you progress from one stage of life to another. This can appear to be difficult, the results you will achieve in future will be worth the hard work that you will put in.

THE BGES SCHOOL (ICSE)

MESSAGES FROM THE SCHOOL MANAGEMENT

Shri Brij Bhushan Singh (Headmaster)

“If you hear a voice within you say 'You Cannot Paint' then by all means paint, and that voice will be silenced” – Vincent Van Gogh.

It was all our responsibility; sometimes we loved and cared for you and sometimes loaded you with hard tasks. My dear students, it is my advice to you all - do not look back by standing at the threshold of this school. Just look forward and go ahead to see the world, our well wishes are always with you.

Facing challenges in life and your ways and means to overcome them in every stages of life with the effort of the teachers has been like opening another door when one closes. Never look so long and so regretfully on the closed door....rather think how you explored in finding another hidden door...All the best

Ms. Mridula Nagar (Deputy Headmistress)

To achieve great things in life you shouldn't only dream or plan but also try to get it. Three 'mantras' of success: Always aim high Push your limits never stop believing! It is to decide what's most important to you and then take massive action each day to make it better. The only way to experience the richness of life is to live in an attitude of gratitude: to appreciate what you have and what you can give. The best way to ensure your happiness is to assist others in experiencing their own. All the Best.
