Shri Champaklal A. Doshi, Chairman

School is a big chapter of your life in the beginning of a book. When you have finished that chapter, the final and the best part begins. Learn as much as you can while you are young, since life becomes too busy later.

Shri. Miraj D. Shah, Vice Chairman

In the words of Vivekananda, "All power is within you; you can do anything and everything. Children, you all are the future of the country. Move forward with a brave heart and a mind full of ambition. Wish you all a very bright and a successful future ahead."

Shri. Pradip Sheth, Hony. Secretary

I wish you all the best to step into a world of competition where a lot of obstacles will come your way. If you fail never give up because failure means the first attempt in learning. Be strong and fear not.

THE Bhawanipur Gujarati Education Society School (ICSE)

Affiliated to The Council for the Indian School Certificate Examinations, New Delhi

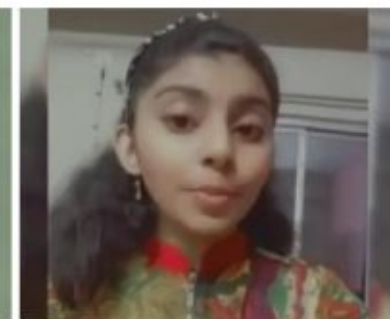

Shri Brij Bhushan Singh, Principal

Education is part of life, but sometimes to add more to it, we need to allow the next phase it brings to us. It is goodbye to you in the hope of you learning more in life. Moving on to a new sphere of career and dreams can be a challenging process but you will surely turn out well. I wish you the best of luck in all of your future endeavours.

Mrs. Clara Gomes, Deputy Headmistress

Graduating from our school this year is all for the betterment of your future studies, but we will miss your presence in this school. School is an essential part of life and I am happy you have allowed it to have the impact that is needed in your lives. May you all achieve success. Lots of love! Farewell, dear students.

We have always noticed that school hours always go slow and tedious but for me as the day is coming near and nearer this school hours are going so fast. Every year changing the classroom was like changing a home. Playing cricket during recess and looting all the Tiffin had been my best memories.
