

THE BGES SCHOOL ICSE

BEYOND CLASSROOM

JUNE 13

From The Management.....

Preparing students for success in the academic challenges that await them; helping them develop a strong moral character; providing them with a range of opportunities in academics, athletics, the arts, extracurricular activities, and service; encouraging the development of leadership; and supporting our students in their journey from childhood to young adulthood—these are the primary goals of The BGES.

Champaklal Doshi

The BGES School emphasizes the development of sound reasoning and analysis, a focus which is consistent with the school's mission of helping students discover, internalize, and effectively utilize the intellectual and personal resources necessary to succeed in life.

Pradip Sheth

At The BGES School we are committed to the creation and maintenance of an educational environment that promotes and facilitates problem solving, time management, prioritization, intellectual curiosity, self-discovery and physical fitness.

Dinesh Mehta

A school should help children become confident and skillful thinkers and explorers. We want them to succeed in any subject they approach. We want them to be bold in the questions they ask and ambitious with the knowledge they seek, not only as students here, but also throughout life.

Nalini Parekh

A school needs to be a place of opportunity, depth and diverse role models. It should be a place where children can safely engage with the world and ideas, meet high standards and learn to take risks. Therefore, at The BGES education is child-centered where teachers support the children in their growth and development across all areas -- keeping in mind each child's pace, level and learning style.

Rashmikanth Seth

From The Headmasters Desk,.....

The BGES School is a vibrant, happy, and productive school community distinguished by the high quality of our faculty and staff, the energy, character and talent of our student body, exceptional school facilities, and the wonderful support provided by parents, alumni, trustees, and so many others. I invite you to explore the school's website and begin to learn about the people, the programs, and the spirit of our school.

Our mission is “to promote educational excellence, personal responsibility, and balanced growth; and thereby to help its students discover and develop their talents and achieve their best potentials.” We believe “educational excellence” means broad growth and achievement, and we strongly encourage our students to seek excellence in academics, arts, athletics, and extracurricular activities.

The June 2013 issue of beyond class room is the brain work of Mrs Sonia Bakshi and I commend her for a well done job.

Brij Bhushan Singh

From The Deputy Headmistress...

5 March 2013

A human being is a positive asset and a precious national resource which needs to be cherished, nurtured and developed with tenderness, and to reach this goal to a sound education system is the basic requirement. Good education is a process of developing the human personality in all its dimensions—Intellectual , Physical, Social ,Moral & Spiritual. This can be achieved only through collective effort of the society as a whole.

As an individual, I am associated with the BGES School for the last 16yrs, and I feel a sense of immense satisfaction and pride to belong to this Institution . My joy knows no bounds when I come to know that our ex students hold respectable positions in society. This is indicative of the confidence they place in the school system. The honour of educating the second generation of an institution of this magnitude, is definitely the envy of many and pride of few.

The scientific and technological advancement in the contemporary world have contributed much in the education sector. The challenges they throw open to the educators are so dynamic and so forceful that they need to be vigilant to upgrade their skills and ensure stress free learning to the learners, thereby making themselves and the learners “ Life Long Learners”. It is not enough to see our children as empty vessels to be filled with facts, skills and knowledge. They are unlit fires, just waiting for us to ignite and spark an interest in their thinking about the how and why of things around them.

Quality education is the only way to National Development, survival and contributing to a better world order. The system of education is modified with the changing needs and aspirations of the society.

Let us work together individually and collectively to serve the cause of education. Let our students grow as world class citizens.....a generator of eminent thinkers, planners, contributing to a better world order.

This is my wish and my dream

With best wishes and warm regards

Mridula Nagar

It was May 23, 2011, the airport was heaving with endless torrent of people. I had never witnessed anything like this in all my years of travelling abroad. It was past midnight that my head finally hit the pillow and it seemed only minutes later that my cell phone was ringing the wake up call. My kids and I were to take the morning flight to the US, via Heathrow, little knowing what fate awaited us....I had dozed off during the flight, when I faintly heard the airhostess announcing that the plane was about to land at Heathrow. After winding through the corridors, when we finally entered Terminal 4, a spilling sea of people greeted our eyes. People were everywhere, on the floor, leaning against pillars, in hurdles in front of the Chocolate stores, in front of Bally's showroom, Coffee shops and elsewhere. The place was bursting at the seams. After getting over the initial shock, I looked around in horror and as I tried to find my way through the maze, I looked up to find the flashboards beaming the cause for the maddening crowd. Lightning had crackled over Iceland volcano and a thick cloud of volcanic ash had descended over Britain. Result...total cacophony at Heathrow airport as the towering plume of Icelandic ash, smoke, and steam had hit Scotland and Ireland the night before, bringing disruption to airlines and dozens of flights had been cancelled. The reality sunk in. I was at the wrong place at the wrong time...

Life

Life is a journey dotted with eventful phases. Some of which brings the joy of fulfilling experience and well being, others make us morose and pensive. Both have its significance in shaping the goal of our objectives. However one thing that remains unchanged throughout this sojourn is our individual spirit. A spirit that thrives deep in our inner self, a spirit that renders us a unique power to defy destiny in our own way and motivate us to etch our own mark in this beautiful world.

This is that motivational spirit that unlocks numerous hurdles along the way and helps us to reach out in the right place at the right time where that rendezvous with success is just a step ahead.

The Quarrel

Red and dark blue makes purple
Blue and yellow makes green
Green is the colour of grass
It's the best colour seen

Grey is what you always get,
When you mix black and white,
White is the beautiful moon
Seen in the sky at night

Mix the colours red and white,
You'll get the colour pink
It's the colours of rose buds,
And strawberries drink!

Colour whenever you go,
Look there! It's a rainbow!
No colour means no fun,
Don't you also think so?

Influence Of Computer Games On Today's Youth

According to the influence or effects of computer games on today's youth it is itself not good for them and have bad effects and they catch or collect bad habits and manners in them. As they are the future of our country it becomes a problem for that. Infact its true that some of today's great man and businessman are cheat but it does not means that this culture or manner has to be followed by today's youth in future.

Computer games are attractive to the children and young ones. They seem to be very interesting they play it for hours and hours and spends their precious and quantity of time in computer games. They became lazy by playing games in computer and do not play outdoor games by which they become inactive or less energetic and lazy. Children and youngsters are hampering their eye-sight and becoming disobedient. They neglect food and studies and are busy in playing , indirectly affecting their own health. Computer games affect children to become antisocial and they become so glued to the virtual world that they forget about the world around them.

Violent computer games give rise to aggressive thoughts and feelings on children and youngsters. Heart rate , systolic blood pressure and diastolic blood pressure all increase while playing violent games. It increases child's aggressive behaviour, including thoughts, emotions and actions.

Computer games also affects children positivity in a psychological manner. When people think of enhanced aggression, antisocial behaviours. Games aren't completely a negative impact on the youth, it teaches them discipline, friendly competition and social skills. Although they are negative aspects to youth having access to videogames , some have contents which involve violence. Parents should make sure their children know that these games are just a virtual world and don't belong to real world. They are a form of learning as children are more attracted to video games for learning than standard classroom education. In conclusion , children related to computer games which are violent are more likely to experience aggressive feeling , thoughts and actions. Everyday children spend their time in playing in computer games instead of learning healthy ways to related to other people and resolve conflicts peacefully. It's better if parent, educators and game makers understand and increase how to maximize their benefits.

School Magazines

Every school has its own magazine. It is published once or twice every year. The students of the school write articles and edit it with the help of their teachers. They draw pictures, write stories, poems, essays. All the articles that are submitted, are not printed in the magazine. Only those which are good and can be selected are printed. The students whose submissions are printed are very happy. Even those whose writings are not selected and printed try to write better, so that the next time they can see their articles in the magazines. There are many students who can write. Some of them have promises of becoming good writers in life. The school magazines encourage them. Therefore these magazines play a vital role.

Moreover the magazines publish the reports about the school which let us know about the problems and achievements of school. So, I conclude that school magazines play a vital role in a student's life.

Mahatma Gandhi

Mahatma Gandhi was born in Porbandar in Western India. In 1888 he went to London to study law. He returned to Bombay to work as a barrister but went to south to work in 1907. In south, he took part passive protests against the Transvaal governments treatment of Indians who were in the minority in the region. In 1915 Gandhi was imprisoned in 1922; 1930 and 1933 and in 1942 while in prison he went on hunger strike.

His fame was such that his death in prison would make International headlines and greatly embarrass the British at a time when Britishers were considering dictators in Europe. In 1931, Gandhi come to Britain for the round table conference. His famous walk to the sea to produce salt was typical of his action. Britain had a monopoly on salt produce in India and Gandhi saw this as wrong. There had been one assassination attempt on Gandhi on January 20th 1948. It just failed. Some days later on the 30th January, he was shot by a Hindu fanatic who could not forgive Gandhi for his belief that Muslims and Hindus were equal and no one was better than anybody else.

The Clever Jester

Once there was a jester in the court of a king. He entertained everyone with his sparkling wit and interesting jokes. He became very popular. However, this made him arrogant and proud. He frequently made fun of the courtiers and offended them. But no one dared to complain as he was the royal favourite. They bore the humiliation quietly.

One day the jester went too far. In a misguided moment, he cracked an insulting joke at the king's expense himself. He thought that the king would appreciate it. But he was wrong. The king was offended and went wild with rage. He ordered the servants to hang the jester.

The jester was immediately put behind bars. He wept and awaited death. The jester now repented. He entreated the king to forgive him and spare his life. He begged for mercy. All this had no effect of kindness on the jester. The king remained firm. Some admirers of the jester implored the king to show mercy to the condemned jester and spare his life.

The king relented a bit. He said he would not withdraw the death sentence but would allow the jester to choose the way he wished to die. On hearing this, the witty fellow said, "Your Highness, I am grateful to you for granting me the chance to choose the manner of my death. I want to make it clear to you that I want to die of old age. Kindly grant me my wish. The king was highly pleased with this intelligent reply and granted him his request. All the courtiers praised the presence of mind of the jester. They were happy that his life was saved.

Students Life

Life had really turned out to be monotonous. It had been with my parents as well, for years. That is when we planned a visit to a new tourist destination, for a holiday during the last week of December 2012. We went to Garachumukh near Mluberi. Garchumukh is located in the district of Howrah of West Bengal at the confluence of River Hooghly and river Damodar. The spot offers spectacular visit of Ganges ideal for weekend tour.

This place has an odd deer sanctuary. The prime attraction of Garchumukh is the beautiful barrage, popularly called the 58 no gate or Athana gate where 58 lock gates have been built. It has been fully discovered by tourists and therefore the number of people were few. My uncle, aunt and their ten month son accompanied us. We stayed in a bungalow. I took my cricket set, so all day I was playing cricket. There we ate the stall food of Bengal including Pitai paratha, rice, dal and Alu bhaja. 22km away from Garkhumukh there is a famous picnic spot named Gadiara. On the first day we went there. The river bank which was opposite to picnic spot had a boat stand. My mother wanted to take a ride, so we all went there. On the second day of our stay we saw animals. Apart from deer, there were peacock and Sayar (porcupine). After seeing the animals, we had our lunch and then we went to play in the children's park. Then after we returned to the bungalow and played cricket in the garden beside it. I scored 140 runs after the loss of 5 wickets but my father was all out on 100. Next morning it was time for us to leave. I will never forget this trip ever !!!!!

Friendships

A friend is someone very dear, who shares your hopes and dreams, who shows us the greatest day. Silence makes the real conversation between friends. A true friend is someone who brings laughter. A friend is one with whom you share your joys, sorrows and your tears. A true friendship is a treasured gift that everyone does not get. Friendship is that flower that never fades. Friendship is like a flower that encloses seeds that develops and grows even in harsh conditions of life. Friendship is like a diamond which is precious and cannot be bought or sold and it twinkles in the sky like a star. These are the words that brings peace and kindness. A friend is the person whom we trust love the most. And the last words that I want to say to my friends is that don't ever forget these words because they are like petals of a flower that once it breaks you cannot join by anything.....

Media is a very effective medium to make the people informed about the where about of the day-to-day happenings of the world but in a different way. "In a different way?"

Yes, in a different way in the sense that the real news never reaches the people signifying the common masses. What reaches us is just a mixture of little bit of lie, little bit of publicity stunts and some glorified words. By glorified words, I mean that they add whatever they want to in the so-called 'real story' and then it is supplied to us either by the television news channels or may be the newspaper.

Let me tell you a very recent and interesting encounter of mine with the truths of media. We all know that the media is always supposed to reach as early as possible whenever there is a mishap or a crime taking place. Well, in this case it did not happen like that.

Once upon a time, (well I am talking about a very recent time, which is supposedly a month or so, back), I had encountered a very astonishing experience with the media. An uncle of mine who is the manager of Reserve Bank of India had lost all that he had-because of media. He lost all his respect and dignity which he had earned with a lot of hard work just because of media. He was jailed for a few months but was innocent, The newspaper published the following news- "the person was caught red handed in Kerela and the media along with the police was the first one to find him." The reports said so but to everyone's surprise, well my uncle was caught from Ahmedabad and it was not red-handed, his friend backstabbed him due to which he had to stay in the jail.

So, we now know that the media just wants to get a news and then it twists and turns it, squeezes it and presents it before the common people. But we can not only blame the media, our politicians are no less.

Why can't the media help us to achieve a better future? or maybe we should ask that question to ourselves, are we not responsible for such media and such politicians?

જુદગી ના ઉછો છે મોજા,
કોક દિન ઈદ, તો કોક દિન રોજા.
આ જીવન તો છે એક સિક્કા જેવું.
અગર સુખમાં સ્થિત રેલાવો, તો દુઃખ માં કેમ સરિતા,
પગ એટલાજ ફેલાવો, જેટલી છે તમારી ચાદર,
તમારું જીવન નિર્થક છે,
અગરના કરો તમે મોટનું આદર!
તમારા જીવનમાં આવી રહે, ઘણી મુસીબત,
પણ, ક્યારે પણ ભૂલતા નહીં,
તમારી કસીકત!
કેમકે-

આ જીવન તો છે એક વહેતું સાગર,
પણ, કોક વાર બની જાય છે, તે તો એક કોરો કાગળ.

પૂજા શાહ (નવ-અ)

આજના દેશન ભર્યા જીવનમાં 'મુકેશ જોશી'
નામના કવિ આપણને કુદરત ના પાસે
આપણે શું શીખવું જોઈએ તે જાણવાનું છે-

પક્ષીઓ એ ઉડવાના કલાસ નથી કર્યા,
નથી માછલી સ્વીમીંગ પુલ જાતી
ખુશબુએ વાયરાનું ટ્યુશન ક્યાં કર્યું છે?
તો પણ એ કેવી ફેલાતી.
તમણે વિચાર્યું છે, તો પણ નથી ગાતો.
કદે ફૂલોના સ્તનમાં પતંગિયા,
વિજ્ઞાન ન જાણે બેઝીનું ખાનું,
તો પણ કેવા ચમકે આ ગીવા,
ઘરણાઓ પૂછીને ભૂસણે નથી મારતાં,
કેટલી મેળવી ખ્યાતિ.

પક્ષીઓ એ ઉડવાના કલાસ નથી કર્યા,
નથી માછલી સ્વીમીંગ પુલ જાતી.
ઘાકવા એણે યોગાસન નથી કર્યા,

તો પણ ઊભા અટલ ચરણો.
કૌંકી મહેસાંને ચિંતા ક્યાં લેય,
કોણ મારી દિક્કી ને પરણે,
ઈર્ષ્યા આવે ઘેરત એ રીતે,
ઉજવે એમની ક્યાતી.

પક્ષીઓ એ ઉડવાના કલાસ નથી કર્યા,
નથી માછલી સ્વીમીંગ પુલ જાતી.

પર્વત પણ બી.એ-બી.એડ નથી,
તોય એની વાદળ સુધીની છે પહેંચ.
માણસ શું શિખ્યા કે માણસાઈ લંગડાતી,
મનમા પહેલી જોણે મોચ
આયણને નથી એ લોકેને જોઈને,
ઈશ્વરની છતી ફૂલાતી

પક્ષીઓ એ ઉડવાના કલાસ નથી કર્યા,
નથી માછલી સ્વીમીંગ પુલ જાતી.

प्रदूषण

प्रदूषण चार प्रकार के होते हैं -

वायु - प्रदूषण

जल - प्रदूषण

ध्वनि - प्रदूषण

भूमि - प्रदूषण

वायु - प्रदूषण

वायु - प्रदूषण सबसे अधिक वाहनों के कारण होता है। वाहनों से निकलने वाला विषैला धुआँ वायु को प्रदूषित कर देता है। इसके अतिरिक्त कारखानों से निकलने वाला धुआँ भी बहुत हानिकारक होता है। यह वायु को दूषित कर देता है इससे साँस की बीमारियाँ उत्पन्न होती हैं।

जल-प्रदूषण का कारण है कारखानों से निकलने वाले तरल रासायनिक पदार्थ। ये नालियों से निकलकर नालों में गिरकर जल को प्रदूषित कर देते हैं। जनसंख्या में अंधाधुंध वृद्धि के कारण नालियों, नालों की गंदगी नदियों तक पहुँचती है। इससे जल प्रदूषित हो जाता है। जल - प्रदूषण से पेट की बीमारियाँ फैलती हैं।

ध्वनि प्रदूषण - मुख्य रूप से वाहनों, कारखानों और गली- मोहल्लों तथा बाजारों में बजने वाले लाउडस्पीकरो तथा रेडियों टेपरिकार्डरो से होता है। ध्वनि - प्रदूषण हृदय एवं कान के रोगों को बढ़ाता है।

भूमि - प्रदूषण - का अर्थ है भूमि का प्रदूषित हो जाना। बढ़ती जनसंख्या के कारण लोगों के पास रहने के लिए मकान नहीं हैं। सामान्य सुविधाएँ नहीं हैं। शिक्षा का अभाव है। लोग झोंपड़ियों में रहने के लिए विवश हैं। शौचालय तक की सुविधाएँ नहीं हैं। इससे चारों ओर गंदगी पड़ी रहती है। कूड़े के ढेर लगे रहते हैं। सफाई के आभाव में भूमि प्रदूषित हो जाती है।

इन सभी प्रदूषणों को रोकना आवश्यक हो गया है। चारों ओर बढ़ रही बीमारियों का मूल कारण प्रदूषण ही है।

बादल

मैं एक उड़ता बादल हूँ।
बहुत बड़ी है मेरी टोली,
जहाँ - जहाँ मैं जाता हूँ,
मैं वर्षा करता हूँ।

जहाँ भी मैं जाऊँ
फसल वहीं उगती है,
मैं नदियों की प्यास बुझाऊँ।
मैं धरती का ग्रीष्म हटाऊँ।
और बहुत से भी काम निपटाऊँ,
यही मैं करता रहता हूँ
मैं एक उड़ता बादल हूँ।

मेरा स्कूल

सबसे अच्छा सबसे प्यारा,
भवानीपुर गुजराती एजुकेशन सोसाइटी स्कूल हमारा।
दूर-दूर से बच्चे आते,
आकर अच्छी शिक्षा पाते।
कितना सुन्दर बना यह स्कूल,
इसमें सजे मेज और स्टूल।
कार्यालय की शोभा न्यारी,
मैदान की सुन्दरता है प्यारी।
नौजवान और ज्ञानी सारे,
चरित्रवान सब गुरु हमारे
अति सुन्दर आधार शिला है,
वातावरण बड़ा निराला है।

रुपया ही सबसे बड़ कर नहीं

रुपया हमें भौतिक सुख दिला सकता है,
पर चैन नहीं।
पुस्तकें दिला सकता है,
मस्तिष्क, विवेक नहीं।
खुशी दिला सकता है
पर मन की शान्ति नहीं।
घर दिला सकता है
परिवारिक सुख नहीं।

मेरी माँ

मेरी सारी बात वह सुनती
मेरे सारे काम वह करती
मेरी प्यारी सहेली मेरी माँ।
मुझे कहानियाँ वो है सुनाती
मेरे संग बच्चा बन जाती
मेरी प्यारी सहेली मेरी माँ।
मेरा हौसला वह बढ़ाती
मुझे सही राह दिखलाती।

मेरी प्यारी सहेली मेरी माँ
मुझे गुरु की तरह वह पढ़ाती
अच्छी ज्ञान की बातें सिखाती
मेरी प्यारी सहेली मेरी माँ।

अच्छा लगा

डॉक्टर बीमार है
पुलिस लाचार है
घर में टेलिफोन है
लेकिन वह बीमार है।

अनपढ़ हैं मंत्री यहाँ,
पढ़े-लिखे, बेरोज़गार हैं।
आदमियों को कोई पूछता नहीं
कुत्तों से प्यार है।

कुछ मत पूछो मेरे भाई
यही आज का हाल है
जो झूठ बोले
वह ईमानदार है।

जो सच बोले
वह बेईमान है
कुछ मत पूछो मेरे भाई
यही आज का हाल है

केक फैक्टरी की सैर

जिंदगी है एक सपना
पराया कौन, कौन है अपना।
धूप छाँव का है खेल
कोई पास है कोई फेल।
हर सपने की कीमत है
जिसकी जैसी नीयत है।
हर समय लालसा है कुछ पाने की
जीने के लिये जरूरत है बहाने की।
हर कोई बदल रहा अपने को
सच करना चाहे सपने को।
जीवन को क्या किसी ने जाना
क्या हमने अपने आप को पहचाना ?
हम तो कुछ दिन के मेहमान यहाँ
आल यहाँ तो कल न जाने कहाँ।
क्या है आखिर अपने हाथ में
और कुछ ले भी नहीं जाना साथ में।
फिर क्यों इन्सान यह भूल जाता है
क्यों यह कुबूल नहीं कर पाता है -
“कि हम सब सिर्फ बन्दे उसके हैं ...
कि हम सब सिर्फ बन्दे उसके हैं।”

माता - पिता

थोड़ा - सा गुस्सा, बहत सा प्यार,
जिन्होंने सिखाया हमको संस्कार,
जिन्होंने दिया जीने का कारण,
ये जीवन है आज उन्हीं को अर्पण।
सच्चाई के मार्ग पर चलना सिखाया,
जीवन का मूल्य हमें उन्होंने बताया।
जिनके नाम से पहचाने जाते हैं आज,
कल बनेंगे उनके सिर का ताज
ईश्वर से बस एक दुआ है हमारी,
जीवन भर सेवा कर सकें हम तुम्हारी।
अगर आपका आशीर्वाद हमेशा मुझ पे बना रहें।

बड़ा ही महत्व है

करने में काम का,
फलों में आम का,
भगवान में राम का,
सुबह के बाद शाम का,
बड़ा ही महत्व है।

रंगों में लाल का,
मछुआरे के लिए जाल का,
जाड़े में शाल का,
थप्पर के लिए गाल का।
बड़ा ही महत्व है।
नम्बरों में रातका
शाम के बाद रात का
बोलने के लिए बात का
बड़ा ही महत्व है।

पानी में बोट का,
पहनने में कोट का,
देश में नोट का,
रजनीति में वोट का
बड़ा ही महत्व है।

একটি সুন্দর গ্রাম

গ্রামটির নাম বোড়াল আমাদের পুরোনো বাড়ি থেকে প্রায় আশ্রমটার পথ। গ্রামটিতে যাবার জন্য অনেকরকম ব্যবস্থা আছে। আমি ও আমার বাবা রিক্সাতে গিয়েছিলাম, বাবার বন্ধুর বাড়িতে দুর্গা পূজার সময়। বাড়িটি মাটির কিন্তু বেশ বড় ও অনেক বড় জায়গার উপর। বাড়িটির চারদিকে নানা রকম ফলের গাছ। যেমন - আম, কাঁঠাল, কলা, লিচু ইত্যাদি। সামনের দিকে বিশাল এক পুকুর তাতে নানা রকমের মাছ আছে ও পানকৌড়ি ডুব দিচ্ছে। বাড়িটি নানারকমের গাছ থাকায় কত রকমের পাখি আছে প্রায় সবার বাড়িতেই অনেক গাছ থাকার ফল চারিদিক শুধু সবুজ আর সবুজ। গ্রামবাসীরা প্রায় প্রত্যেকেই খুব প্রাণবন্ত এবং হাসিখুশি কোন চিংকার চোঁচামেচি নেই গাড়ির শব্দ নেই। বাবা বলে এখানের বাতাস দূষণমুক্ত। শহরে যেটা ভাবাই যায় না। এখানে কেউ গাছ কাটে না। সবাই বর্ষাকাল নানা রকম গাছ লাগায়। সেইসব গাছ কিছুদিনের মধ্যে বড় হয়। এখানে সকালে বলে এই গ্রামে সব কটি ঋতু ভালোবাবে অনুভব করা যায়। এখানে গ্রামের অনেক বাচ্চার সাথে আমার বন্ধুত্ব হয়ে গিয়েছিল, মনে হচ্ছিল এরা সকলেই আমার অনেক দিনের পরিচিত। ফিরে আসবার সময় সবাই অনেক কিছু দিয়েছিল, আমিও ওদের সবাইকে আমাদেব বাড়ি আসতে বলেছিলাম। বাড়িতে ফিরে বার বার ওই গ্রামের প্রকৃতি ও ওইসব বাচ্চাদের কথা মনে পড়ছিল।

বিদায়

জানি না যাব কে কোথায়
তবে, প্রতিশ্রুতি আমার
মিলব সবাই সেথা
তুমি, আমি অমর যেথা
আমি কথা দিচ্ছি তাই
একদিন আবার এক সাথে হব সবাই
পড়বে তোমার মনে
ছেলেবেলার সব কথা
হাসির দিনগুলো বন্ধুদের সনে
দেখবে তুমি,
কত ছেলে মেয়ে যাচ্ছে স্কুলে,
পাড়ার রাস্তা দিয়ে, তখন
ভাববে তুমি আমাদেরই কথা মধুর স্মৃতি মর্মে গাথা।
বিদায় বেলায় সবাই যখন
এক সাথে হব,
কাঁদবে তুমি, কাঁদব আমি
চোখের জলের ধারা
পড়বে চিবুক বেয়ে
দেখবে শুধু তারা
যারা আরো বেশী কিছু দিয়ে
পাচ্ছে শুধু ব্যথা
তাঁরা আমাদের শ্রদ্ধেয়া ‘শিক্ষিকারা’।

ধূসর

উড়ছিল কাক, নাকি মার্চের ধূলো ?
বুকের ভিতর ফাটছে কাপাস তুলো।
আত্মঘাতিনী জল আমাকে ছুঁয়ে
নদী ভেঙে ভেসে যাক দেশ - খুঁইয়ে।
তুমি সুচিকণ পিঠ পেতে রাখো আগুনে।
হাহাকার করা মার্চ, এপ্রিল, ফাগুনে।
তীব্র দুপুর, পুড়ে যায় চালচুলো
শুধু কাক ওড়ে, আর কাপাস তুলো।

আমার সাথী

কুটুস্ আমার গাছে গাছে
করছে ছুটো ছুটি গমের দানা নিয়ে যেতেই।
এল গুটি গুটি। ডেকে আনে কুটুস্
তখন পায়রা ঘুঘুর দল বলে,
“আয়, গম খাবি তো, চল্ চল্ চল্।”
বিকেল বেলা খেলতে
যখন ডাকি তাকে, আয়!
পাতার ফাঁকে মুখ বাড়িয়ে আমার দিকে চায়।
দুষ্টু ভারী।
পড়ার সময় টানে আমার চুল,
লাফায়, ঝাঁপায়, ঘাড়ে ওঠে, অঙ্ক হয় ভুল। সূর্য ডোবার আগে
ভাগেই বাদাম খাওয়া চাই,
আঁধার হতেই মারল যে ছুট - মুখের সময় তাই!

ভারতবর্ষের নতুন সূর্য

ভারতবর্ষ এক সুপ্রাচীন ঐতিহাসের দেশ। ভারতীয় ইতিহাসের প্রধান বৈশিষ্ট্য হল বৈচিত্রের মধ্যে ঐক্যসন্ধান। হিন্দু, মুসলিম
খ্রীষ্টান বৌদ্ধ প্রভৃতি বহু বিচিত্র সম্প্রদায়ের মানুষে বসবাস এই ভারতবর্ষে। বিভিন্ন ধর্ম সম্প্রদায় জনগোষ্ঠীর মধ্যে এক জাতি
এক প্রান - এই অনুভূতি ভারতবর্ষের জাতীয় সংহতি রক্ষা করে এসেছে দীর্ঘকাল।

সাম্প্রদায়িক সংঘর্ষের বলি হয় সাধারণ খেটে খাওয়া মেহনতি মানুষ। তারা অল্পশিক্ষিত বলেই ধুরন্ধর রাজনীতিক ও
গন্যমান্য ব্যক্তির কুটকৌশলে বিভিন্ন সম্প্রদায়ের মধ্যে সংঘর্ষ সৃষ্টি করে। এই হানাহাতি সাধারণ মানুষের প্রান যায়।
সাম্প্রদায়িক সংঘর্ষ দূরীকরণে ও হিন্দু মুসলমান ঐক্য সদৃ করার জন্য কবি সাহিত্যিক মনীষিরা বারবার হিন্দু - মুসলিম
ঐক্যের আদর্শ ঘোষণা করেছেন। সাম্প্রতিক কালে আবার বাবরি মসজিদ নিয়ে হিন্দু মুসলমান সাম্প্রদায়িক সংঘর্ষে প্রবল
আকার ধারণ করে। তবে সাম্প্রদায়িক সমস্যা ভারতের বহুদিনের সমস্যা। এক প্রচেষ্টা বা একটি কোন বিশেষ প্রজন্ম এ
সমস্যার সমাধান করতে পারে না। বর্তমানে এই সব সাম্প্রদায়িক সংঘর্ষের পিছনে নানান কারন কাজ করছে। তবে তার
মধ্যে প্রধান হল রাজনৈতিক কারণ। দেশব্যাপী সাম্প্রদায়িক দলাদলি সংঘর্ষের দিকে ছাত্রছাত্রীদের বিশেষ কর্তব্য রয়েছে।
..... আদর্শবাদী, আশাবাদী। তারাই দেশের ভবিষ্যৎ জাতিয়তার মন্ত্রে তাদের দুর্বদ্ধি দূর হয়ে গেলে, ভারতের থেকে
এইকালো মেঘ কেটে যাবে। নতুন সূর্য উদয় হবে।

In Loving Memory Of

Bhumik Sheth

Admitted to school on 9.03.2009

D.O.B - 15.8.1997

D.O.D - 26.3.2013

*If tears could build a stairway and memories a lane, we'd walk right up
to heaven
and bring you back again.....*

Bhumik Sheth will always be in our hearts.....

*He was one of the finest dancers and an aspiring sportsman, a friend who
always stood by our side.*

*He was tall, daring and adventurous, loved eating 'puffcorn'; his favourite
song was 'Just a dream' and 'Renault Duster' was the car he wanted to own.*

He had a great sense of humour and was soft at heart.

Bhumik you will be missed.....
